

Aayush Shetty

Information Science & Engineering Student

Mangaluru, India | +91 97402 93359 | aayushshetty1015@gmail.com | github.com/aayushshetty15

PROFILE

Motivated and detail-oriented Information Science and Engineering student with hands-on experience in full-stack web development and a research internship focused on computer vision and deep learning. Passionate about building responsive, scalable web applications.

EDUCATION

B.E. in Computer Science and Engineering

AJ Institute of Engineering and Technology | Dec 2022 - May 2026 | CGPA: 7.68/10

Pre-University (PCMS)

Govinda Dasa PU College | Jun 2020 - Aug 2022 | Grade: 93%

Secondary Education

Dr M.R.S.M English Medium High School | 2020 | CBSE | Grade: 78%

EXPERIENCE

Intern | Research Internship

National Institute of Engineering and Technology, Surathkal | Feb 2026 - May 2026

- Evaluated model performance on 9,000+ image-question pairs using Exact Match and other metrics
- Preprocessed and quality-validated 9,000+ data samples for reliable model evaluation
- Organized research datasets for experimentation and benchmarking
- Streamlined dataset processing and evaluation workflows with Python and Git

PROJECTS

SmartHire - AI-Powered Recruitment Platform

React, Node.js, Express, MongoDB | 10+ responsive pages, 100% protected routes

Full-stack recruitment platform with job posting, application management, secure auth, role-based access control, 8+ RESTful API endpoints, and 5+ MongoDB collections.

MediCare - Healthcare Management System

React, Node.js, Express, MongoDB, Tailwind CSS | 8+ modules, 8+ RESTful endpoints

Full-stack healthcare system for Patients and Providers with appointment scheduling, patient records, prescriptions, and medical information management.

SKILLS

Languages: JavaScript, Python, PHP, HTML5, CSS3

Frameworks: React, Express.js, Node.js, Tailwind CSS

Databases: MongoDB, PostgreSQL, Firebase

Tools: Git & GitHub

Soft Skills: Communication, Teamwork, Problem Solving, Time Management

Languages: English, Hindi, Kannada
